STATEMENT CONCERNING INTERVIEW WITH THE EXAMINER

In the Interview Summary paper mailed with the Notice of Allowance papers on November 19, 2004, it is indicated that Applicant is required to file a statement of the substance of the interview conducted on November 5, 2004 with the Examiner. Since the Examiner summarized the interview in the Interview Summary, Applicant should not have to file a separate statement. However, out of an abundance of caution and in order to clarify the record, Applicants provide the following statement: Applicants concur with the second and third sentences of the Examiner's comments in the Interview Summary, specifically that the Examiner proposed to add the limitation of claim 2 into claim 1, that the Examiner proposed to add the language that the rear wall is greater in height than the front wall, and that Applicants agreed to the proposed changes.

Respectfully submitted,
